LEAD

WITH PURPOSE!

NOW ACCEPTING APPLICATIONS

 **ISB**
**LEADERSHIP
INSTITUTE**

The ISB Leadership Institute (ISBLI), is a leadership program geared to cultivate leaders with purpose. The program educates and prepares professional and community leaders who are committed to shaping a better collective future for their communities.

PROGRAM

HIGHLIGHTS:

- Leadership modules facilitated by diverse Fortune 100 Trainers
- Leadership Certificate awarded by ISB
- Access to a vibrant network of civic leaders making an impact on local communities
- Group projects that take learning from abstraction to application

A nine-month program featuring a series of workshops developed by thought leaders and experts using a modular curriculum building competencies in:

- Team Leadership
- Personal Leadership
- Transformative Leadership
- Leading Multicultural, Multigenerational Teams
- Leadership Ethics in Faith Traditions
- Conflict Mending
- Business communication and Artificial Intelligence
- Nonprofit Leadership
- Advocacy

OPEN MIC

"My experience as a member of the ISB Leadership Institute's 2025 cohort has been nothing short of transformational"

Safa Delery, ISBLI '25

"I was able to identify my strength as a leader"

Saif Al Majidi, ISBLI '23

"It (ISBLI) revitalized my passion for my work and gave me more tools to accomplish both the goals for my organization and for myself."

Carole Maddux, Co-Founder, Georgia Interfaith Public Policy Center, ISBLI '22

"ISBLI challenged my personal leadership goals and has been a significant contributor to the process of my personal and professional development."

Dr. Carmen Echols, MD, Primary Care Physician at Emory Healthcare, ISBLI '20

"ISBLI has validated my leadership experiences, potential and drive to be a transformative agent of change, not only in my job but has also empowered my role in community engagement and personal relationships."

Jay Al-Hashimi, MBA, MS in Bioethics, Chief Information Officer, ISBLI '19
