

Assalam Alaikum: An Afghan Cultural Competency Training

Presented by the Islamic Speakers Bureau of Atlanta

Georgia is expecting 200 Afghan families in the next few months. Is your organization ready?

To help staff and volunteers prepare for them, the Islamic Speakers Bureau of Atlanta is offering Cultural Competency Training specifically focused on Afghan newcomers. The training will provide:

- Background on Afghanistan's history, people and ethnicities
- An exploration of cultural values, etiquette, and behaviors
- Details on culture-based gender roles
- Tips for managing adjustment while coping with PTSD
- The Do's & Don'ts for working with Afghan newcomers

The training is virtual and takes approximately 90 minutes. There is no charge, but an honorarium is greatly appreciated.

To schedule a training session for staff and/or volunteers, complete the registration form on the ISB website, email info@isbatlanta.org or call 404-632-3550.

Best way to be welcoming is to learn about the people you're welcoming.
